## **HCR Sunset 172**

Date of Birth: 05/16/2022 Registration 1: CI341478

Sale Price:

She spent the breeding season with our black & white HCR Legacys Flash (his dam is a TOP HAND daughter by 87.5" ttt Redman5s Legacy), which will give the calf a double dose of HCR Legacy II. Everything about this heifer says "Foundation Female". Her tipped right horn compels us to deeply discount her price tag. You will win every year with every new calf from this strong young female!
