Top Hand is in a League of his own. His daughters are proving to be some of the very BEST producers in the breed. He tipped 5-7" off of each horn as a youngster, and he continues to broom off his tips. Still, he Measured 79" TTT on 10/24/19. If you do the math, it's easy to see that he would measure in his 90's. His progeny provides the evidence of his power to pass on Horn, conformation and color. Top Hand brings the genetics of two legendary

TTT: 79.0000 on 10/24/2019
